A MESSAGE...

From the Chairman of the Ball

Dear Brothers and Sisters:

Our fifth Annual Ball is a celebrated event. It marks the closing of five years of worthy accomplishments.

We may rejoice in looking over our record, for each year we have increased our constructive work. At the end of five years we find ourselves doing remarkable work in helping our poverty-stricken brothers and sisters in Bereznitze. We are giving our fullest cooperation to the local social and charitable organizations. We are promoting closer friendship and understanding among our landsleit. In general, we are broadening our scope as time goes on.

To our great sorrow, the economic status of our brethren living in European countries grows worse from day to day. This means that we will have to work even harder to combat the destructive forces that exist today. History has shown that the "voice of Jacob" has always been more powerful than the "sword of Esau." We have faith that history will repeat itself.

It has been a distinguished privilege for me to serve as chairman of the ball committee. I thank all those who have given their untiring efforts to make this occasion as well as others a happy and joyous one.

BEREZNITZER AID SOCIETY

I WISH to express my gratitude for your cooperation and loyalty to the Bereznitzer by your attendance, and to the advertisers, and also to the Ball Committee, under the able leadership of Mr. Meyer Terebelo, who made possible this

Fifth Annual Ball to be a success.

Another year has rolled by, but despite the hard times we have gone through, it has been a successful year for our society.

We have very generously contributed to the local and national charitable institutions and especially by sending nearly \$2,000 to our suffering brethren in Bereznitze, who together with millions of other Jews, are going through the darkest moments in the history of Judaism.

Also, during my term, there has been organized the Junior Bereznitzer, who, we hope will carry on our noble, useful work, which is so dear in the hearts of all of us.

In conclusion, may I urge you to continue your grand work for the benefit of those who depend on us, and especially those who are going through inhuman suffering in the lands of tyranny.

So let our slogan for the future be:

"STRIVE FOR THE UNITY AND EMBETTERMENT
OF JUDAISM THROUGHOUT THE WORLD."

Fraternaly yours,

NATHAN ROSE,
President.

Greetings from Your Juniors

..

Our heartiest congratulations and felicitations to you upon the successful culmination of your efforts. It is with humble respect that we make this expression of admiration for the obviously worthwhile endeavor that has in part become a reality because of this wonderful Annual Ball. We fully realize that not only have you made it possible for our members and friends to come together on this gala occasion and thoroughly enjoy themselves, but we are also aware of the fact that this Annual Ball has made it possible for you to carry on your commendable benevolent and charitable work.

It is our sincere hope that we, the Junior Bereznitzer Society, can some day be an honor to the name we bear. If we can but attain the smallest fraction of the prominence that you, the Seniors glory in among Detroit Jewry, we feel that we will have made an earnest attempt to reflect that glory in ourselves.

We wish to take this opportunity to express our appreciation and thanks to the members of the Bereznitzer Aid Society, individually and collectively, for establishing us in the Junior Bereznitzer Society, for their able guidance and tolerance in our early stages of organization and for their moral and financial support.

In conclusion, we, the Juniors again congratulate you, the Seniors on your success in this, your Annual Ball, and wish you the best of luck in your future undertakings.

KELVINATOR

"The Champion Ice-Maker"

GIVES YOU

87 BIG ICE CUBES

FOR 1c

At local electric rates, one penny buys you 81 huge cubes. Try to match that for economy!

**1050 Pound of Ice
A Week**

Just imagine, you may have more than one-half ton of Ice per week if necessary.

Try to match that
for economy.

The New Kelvinator "Polar Power" Sealed Unit sets a new low in operating costs yet has enough reserve to keep FIVE refrigerators cold. With a host of features, including the SPEEDY-CUBE RELEASE and ADJUSTABLE SLIDING SHELVES, Kelvinator has produced a real champion.

Kelvinator has two more champions in the famous "WATT-WATCHER" ELECTRIC RANGE that saves on current cost, and the BETTER WASHER, with the famous FIN-FLEX AGITATOR and PRESSURE-ATOR WRINGER. See them all now.

Charles Averbuch, philanthropist and president of the Illinois Scrap Iron & Metal Co., will soon take his annual trip to Miami, Florida. He expects to remain in Florida for the winter season and will be back in Detroit for Passover.

Ben Weinstock, vice-president of the company, and well-known leader in Jewish circles, will remain in Detroit to manage the concern during Mr. Averbuch's visit in Florida.

DON BARRY

Don Barry, treasurer, will resume his control of the financial interests of the firm. Don Barry is the former radio star who made quite a "hit" with his outstanding voice in Detroit a few years ago.
